

# Decarbonizing Europe and the World

## European Climate Policy - Internal and External Dimensions

2nd International Summer School on Sustainable Development

**23 - 30 August 2009 at the European Academy Otzenhausen**

At this Summer School participants will:

- be given academic lectures by international experts
- discuss the social, political and economic aspects of EU's action against global warming
- analyse the international framework of climate policy
- present their own research projects - the best project will receive the „European Sustainability Award“ sponsored by the European Academy Otzenhausen

Participants:

graduate and PhD students and young researchers in Political Science, European Studies and Economics and young professionals

Application deadline:

**31 July 2009**
